

# Support for Carers Program

## Take a break on us

Connecting2Ability (C2A) can now deliver the SUPPORT FOR CARERS PROGRAM for carers at Shorter House. A hidden gem nestled in the heart of Gippsland in Traralgon, Shorter House is C2A's Short Term Accommodation and Respite amenity.

C2A recognises the hard work and effort of being a hidden unpaid carer, we also understand that sometimes, you need a break.

Not only can you have a getaway, but you can also take a break with the person you care for, and we're pet friendly.

You will receive a Welcome Hamper and be provided with the support and care you deserve, including dinner vouchers.

## What Shorter House has to offer

Shorter House is a relaxing fully accessible home away from home, equipped and ready to welcome you, when you need time to get away.

Shorter House features three bedrooms, a relaxing lounge area, dining room and fully equipped kitchen, two bathrooms including an accessible bathroom with a tilt shower chair, two TV's, an adjustable single bed including crash mats, and a princess chair.

## Join Our Community

At C2A, we believe in creating opportunities for connection and growth.

Our Traralgon Community hub offers a variety of inspiring programs and workshops designed to help you to develop new skills and make new friends.

You may want to participate in any one of our art classes, wood working or our cooking classes, or join in our community programs or sporting activities, you can be as independent as you want to be.

This program is funded by the Victorian State Government.
